### How do I become a member of the KLEC Players Club?

Signing up is simple! Come to our Players Club Desk and present a valid Passport, Drivers License or State-Issued ID and be over 21 years old. You'll get a Lucky Eagle PASS Card in minutes and be on your way to cash back, dining and merchandise!

### How do I earn points?

You will earn points for all tracked electronic gaming machines and live poker play. Receive 1 point for every \$1 coin-in on any of the casino's electronic gaming machines. It is your responsibility to ensure that your PASS Card is properly inserted into the machine to be credited points.

In the Poker Room, points are earned based on your buy in and length of play. For example, play four hours on a 3-6 Hold 'Em and earn 120 points. You must present your Lucky Eagle PASS Card when checking in at the Poker Room podium to be eligible to earn points for your play.

### What can I redeem my points for?

Points may be redeemed for Lucky Play on any machine, dining vouchers, casino merchandise and special redemption opportunities such as bonus entries for casino promotions or special events!

### So how does Lucky Play work?

By using your unique Personal Identification Number (PIN), you can access Lucky Play through the main menu on any machine's player screen. Select Lucky Play and enter the amount you'd like to redeem (every 1,000 points = \$1 Lucky Play). It's that simple—confirm your choice and playable credits are instantly transferred to your machine! Lucky Play is valid for 30 days.

### Can someone else redeem my points?

No. For your protection, all KLEC Players Club members must either utilize their unique PIN or show valid State or Federally-Issued ID and PASS card when redeeming points and restaurant vouchers.

### Can someone else use my card?

No. Only the account holder whose name that appears on the PASS Card may use the card. If you have lost or misplaced your PASS Card, please see the KLEC Players Club to issue a replacement card.

### Do my points ever expire?

Yes. KLEC Players Club points will expire after twelve (12) months of inactivity. As long as you are an active player, points will continue to accumulate.

### How do I get special offers?

All offers and invitations are based on trackable play, so be sure to use your PASS Card whenever you play!
